

TECHNOPARK@IITK

IIT Kanpur Research and Technology Park Foundation, with the brand name Technopark@iitk, is an independent not-for-profit Section-8 company supported and promoted by Indian Institute of Technology Kanpur. The company works towards facilitating and deepening industry-academia collaborations to spur growth and indigenous innovations. It brings together the key stakeholders in the development of the country's economy - academia, industry, and government - on a common platform in a seamless manner.

VISION

To foster industry-academia collaboration by co-developing cutting-edge technologies and innovations in line with the national priorities and knowledge-based wealth creation by leveraging the core competence of IIT Kanpur.

MISSION

To contribute to the nation's economic development by innovating in critical sectors of the economy.

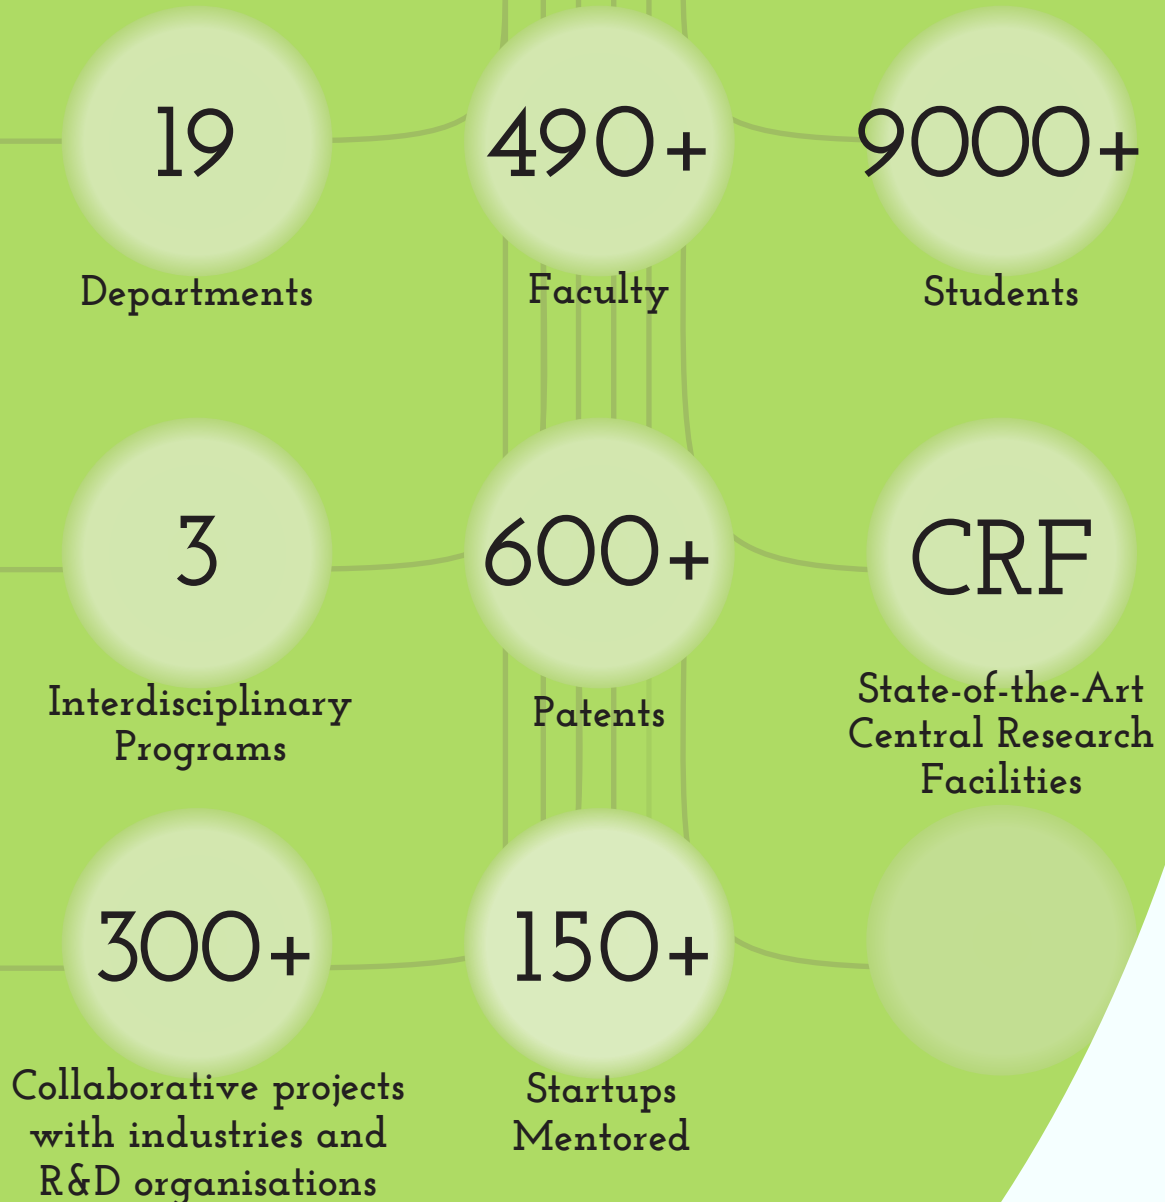

To enable translational research and two-way flow of knowledge and resources.

To deepen interaction and cooperation between industries and IIT Kanpur.

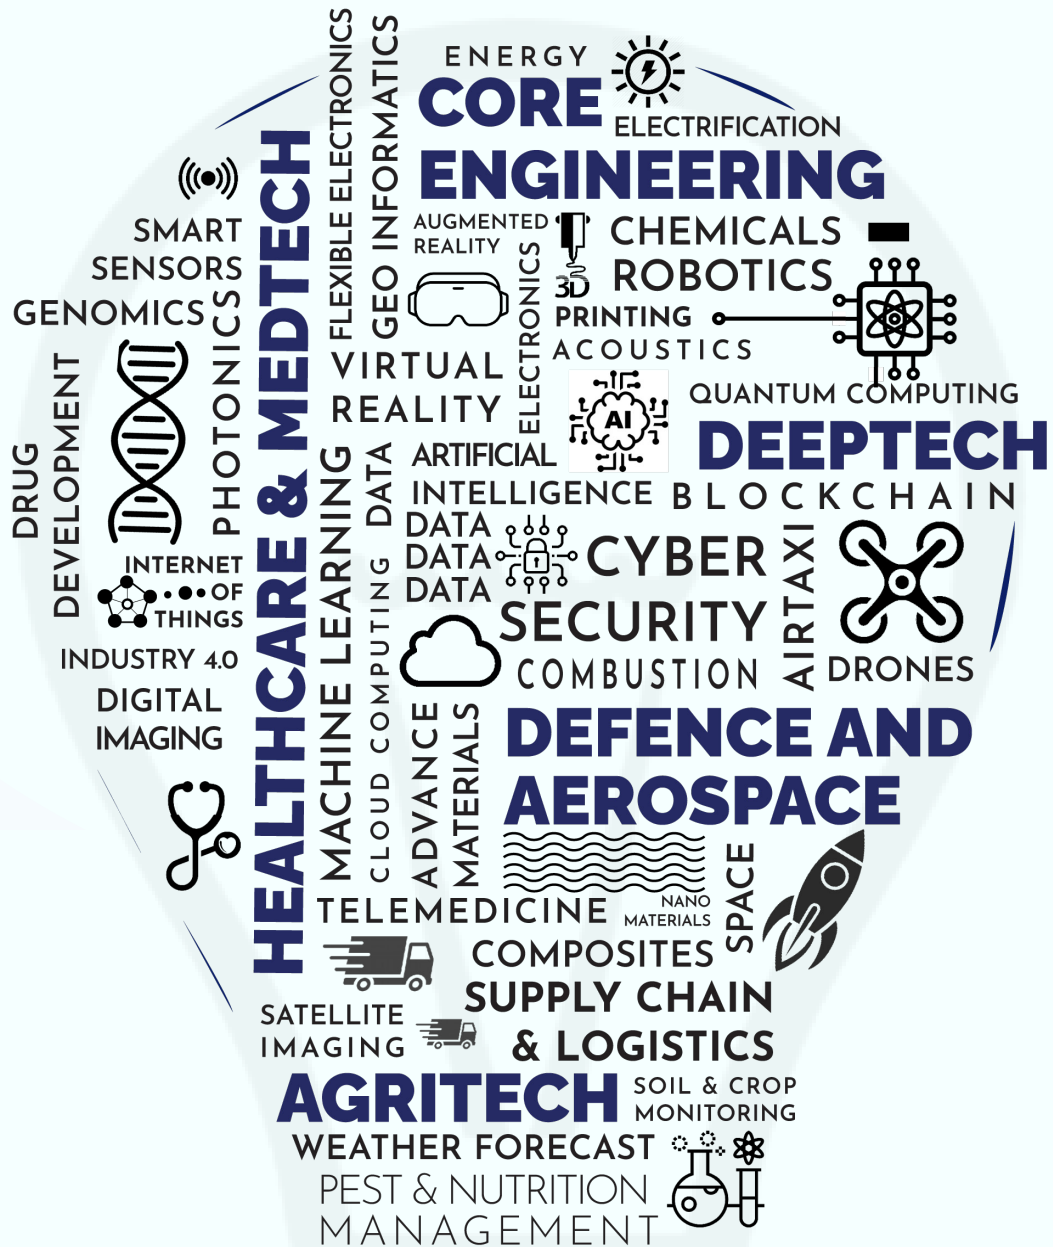

To become a hub of R&D activities spanning all industrial sectors.

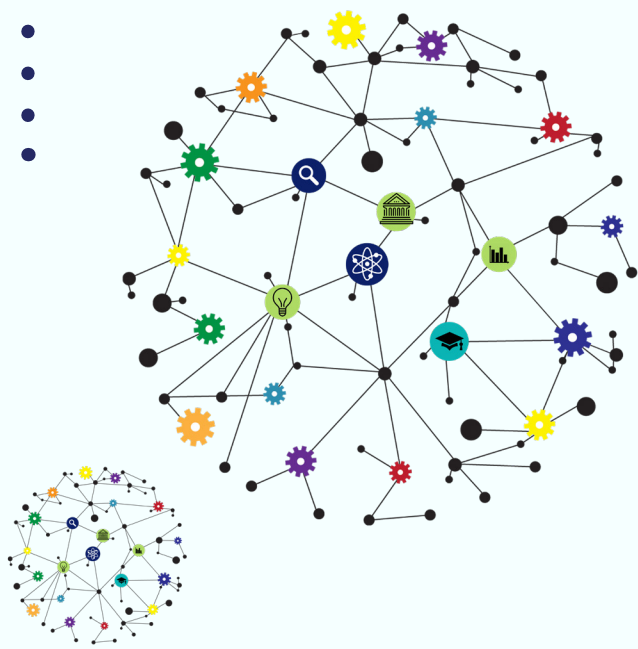

TECHNOPARK@IITK ENABLES AN EASY ACCESS TO THE RICH ECOSYSTEM OF RESEARCH AND INNOVATION AT IIT KANPUR WITH

TECHNOPARK@IITK FACILITATES AND ACCELERATES INDUSTRY-IIT KANPUR COLLABORATIONS TO CO-DEVELOP ADVANCED AND FUTURISTIC TECHNOLOGY SOLUTIONS, ADDRESSING CURRENT AND FUTURE CHALLENGES OF SOCIETY AND THE NATION.

Industry-IITK Student Connect

Students working on Real-World Projects

The industry-student engagement program, named ReWoP, focuses on building strong technical skills and competencies of students hand-in-hand with classroom teaching.

Benefits to Industry:

1. Ready availability of competent, enthusiastic, and talented human resource pool with adequate engineering and analytical background and problem-solving skills.
 2. Allows industry to offer part-time employment during the semester and full-time internships (during the summer and winter vacation) to students.
 3. Affordable out-of-the-box indigenous solutions
 4. Pipeline of potential talent for recruitment.
- 

TECHNOPARK@IITK's UPCOMING STATE-OF-THE-ART GREEN ARCHITECTURE WITH 2.5 LAKH SQ. FT. SPACE BUILT AROUND A CENTRAL ATRIUM

- 🕒 Units of 500-10,000 sq. ft. each
- 🕒 Ready-built Offices/Labs
